

What questions are you hearing?

Are we safe?

That is the most common question I am hearing from the kids.

Why so many people are against Israel?

From students

Will they come for me ? Will terrorists come to America?

Students

Why do they keep coming after the Jews? Why do my friends not talk to me anymore?

My teens

In our team, it's the Hebrew teacher, who is from Israel, who has been getting most of the questions from the students about what's going on.

In my school, each grade has a teaching team.

Why did this happen / how did we get here?

From teens

Why is everyone silent?

My teens

What can we do? How to even think of educating haters?

From my adult kids (20-26-30) and their friends

What happened? how did it happen?

From friends

What we can do? how we rebuild? WHAT HAPPENED TO AMERICA AND THE " intellectual people"?

From friends

Why people hate Jewish people?

(my kids)

- why do people hate Jews

-why is Israel always in the news?

How is your family in Israel doing?

Are we going to make a donation to the families impacted by the attacks?

Parents are primarily concerned about providing aid.

What can we do to help?

(parents and colleagues)

How do you feel working in a Jewish School?

(Today from a mom)

-how do you explain hatred

Parents

-Does my kid need to know about terrorism, he's so young...

Parents

- is there a kid friendly news source?

Parents

- do you have to talk about the war in class?

Parents

-what is the congregation/school doing to help?

Parents
